Meeting our Associate Members, CK Cheong is providing CREST's update and planning for the year 2019

Community Based Disaster Response & Basic Wilderness Survival, Search & Rescue Training - Bintulu, Sarawak.

We had planned this for almost 6 months. This is also our first time conducting IDRN 1100 & 1300 in East Malaysia. One of our participants shared that she had been waiting for 10 years and wish to be trained and wish to serve in crisis mission.

Besides the classroom trainings, we included the Basic Wilderness Survival, Search & Rescue. Therefore, all these training were conducted within a week hosted in Bintulu by the Sarawak Chinese Methodist Churches.

There was a total of 33 participants coming from Kota Kinabalu, Lawas, Sibul, Miri, Kuching and the host Bintulu.

We had greatly enjoyed the whole training and look forward to working together with them to bring the love of the Almighty God to the people in crisis.

Right after the training, the group from Kota Kinabalu fixed their schedule for the same training to be conducted in June 2019.
