2020 FEBRUARY

Update on COVID-19 Response

29 Feb - The coronavirus, now known as COVID-19, is affecting 64 countries and territories around the world. On 27 January 2020, CREST has sent out an appeal letter to the public to solicit funds. To date, we have received RM 561,363.75. We give thanks to God our brothers and sisters in Christ from Sarawak has contributed RM 328,000 and a church in Setia Alam has contributed RM 150,000.

Within a month, we have started the process of procuring Personal Protection Equipment (PPE) consisting of coverall, eye protection goggles, protection boots and gloves which are standard attire for frontline medical personnel. Our first shipment worth RM40,000 was delivered on 24 February 2020. Currently, our items are awaiting for quality control inspection before they can be distributed to the various hospitals.

A team of 4 Chinese volunteers has been formed to assist CREST in future shipments as well as identifying local needs and supplies within China. The 4 volunteers are Sister Li Zhichao from Wuhan, Brother Tian Xiang from Hubei, Sister Luo Shi Ting from Jiangsu and Sister Liang Jing from Beijing. Kindly uphold them in prayer and may our Lord grant them safety and wisdom to accomplish the tasks.

Postponed: 20th Anniversary Fundraising Dinner

Due to the COVID-19 situation, CREST is postponing our 20th anniversary celebration.

We praise God that all the 50 tables were sold out. If you are unable to secure your tickets and wish to support us, kindly contact us.
